ABOUT GAPA

GAPA is an institute dedicated to effectively developing highly professional individuals in Accountancy and Finance. We are focused on creating value and providing highest quality and industry relevant training to our students. We underpin learning with the pertinent theories, embedded with real life practices so you understand the way Finance and Accounting operate. Our programs offer numerous practical applications without compromising their academic rigour. We use case studies, thought provoking scenarios and group work to give learners a head start in the real world.

With the mission of mentoring students as they prepare for the fast-paced CA and other professional courses; GAPA strives to do justice to the years of hard work by supplementing their coaching with Degree & Diploma programs that prepare them for the lucrative world of finance and provide them with new opportunities to step out as financial managers, capital and securities specialists, among others.

GAPA graduates benefit from lucrative salaries in the accounting profession, adding financial stability to their careers.

Global Perspective:

GAPA's focus on global accounting ensures that students gain insights into international accounting practices and standards, enhancing their global perspective on finance and accounting.

Experienced Faculty:

Students at GAPA benefit from experienced and knowledgeable faculty members who bring real-world expertise to the classroom, enriching the learning experience.

Networking Opportunities:

GAPA provides networking opportunities for students to connect with professionals in the accounting and finance industry, fostering valuable connections for their future careers.

VISION

Our vision is to transform the world through education by fostering the development of global citizens with strong moral values and integrity, who are dedicated to the betterment of their nation and the world. We aim to empower the youth of our nation with the necessary skills and knowledge to make a positive impact on society and contribute to a better world for all.

MISSION

Our mission is to introduce new age career programs, creating valuable opportunities, and providing a multi-disciplinary & practical approach towards education. We strive to empower the next generation of Leaders, Entrepreneurs and Innovators to make a positive impact on global socioeconomics.

VALUES

- Excellence in teaching and learning
- Innovation and creativity
- Diversity and inclusivity
- Global perspective
- Social responsibility
- Ethical conduct
- Professional development
- Collaboration

ACADEMIC PHILOSOPHY

INNOVATIVE

We provide relevant and up-to-date curricula, one that is abreast with the developments of the Accounting & Finance Industry.

INDEPENDENT

We aspire to nurture and empower our students into well-groomed, confident and successful Professionals and Entrepreneurs.

INTERESTING

We maintain our student's curiosity and interest levels; our education system is designed with an optimal mix of theoretical and practical concepts.

INDUSTRY

We lay a high degree of emphasis on building relations within the industry; training, articleships and workshops help in collaborating with the accounting world.

INTELLECTUAL

We pursue excellence by playing a proactive role in constantly stimulating our student's intellect.

IDEAL

We aim to be recognized as a hub of excellence and strive towards building strong, serviceable and sustainable relationships within the industry.

INSPIRED

We regularly provide challenging opportunities to motivate our students and broaden their horizons.

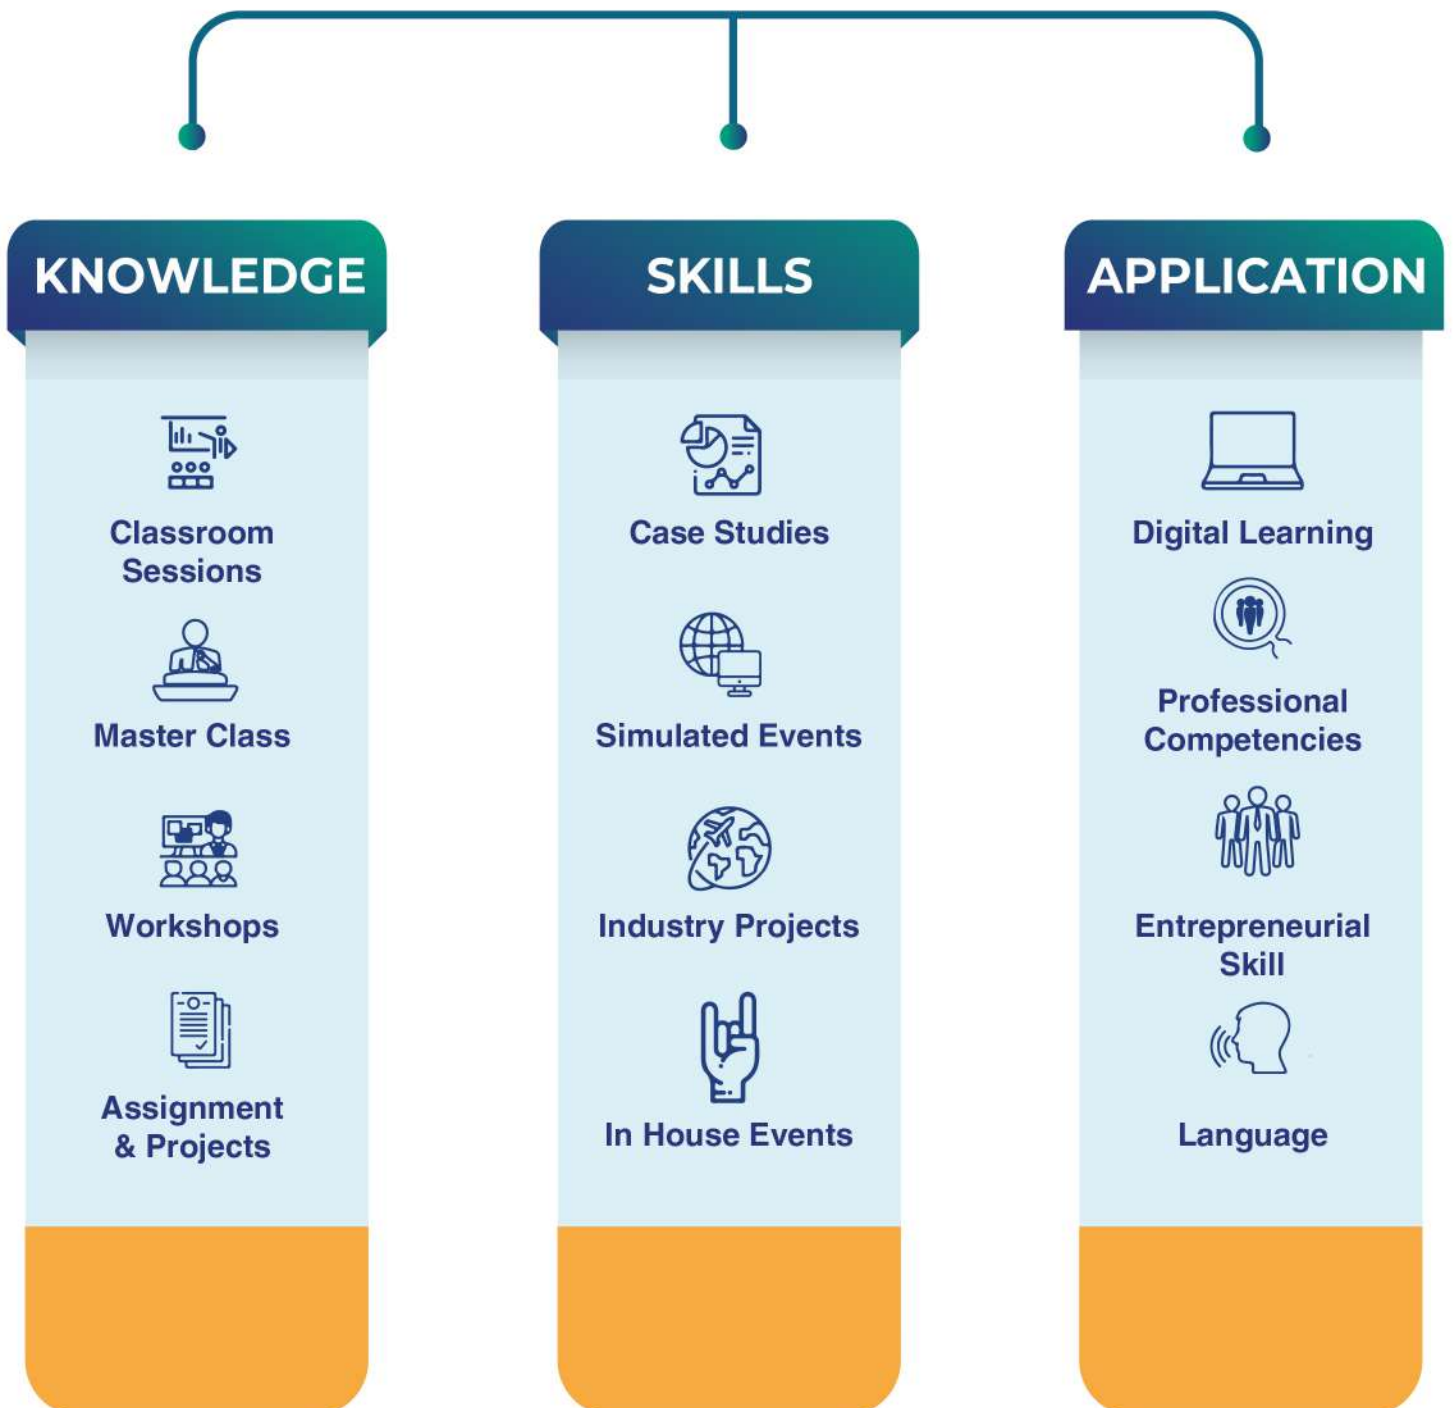

INDIVIDUALISED

We incorporate meticulous and personalised evaluation with ongoing feedback, in order to ensure our courses are robust and progress driven.

PEDAGOGY

GAPA will use a variety of learning elements to ensure that the curriculum is both broad and profound to keep students aware of global business advancements and new learning components. GAPA program ensures the utilization of pronged approach that emphasises on Knowledge, Skills, and Application.

VISION OF THE MENTOR AT GAPA

The vision of the mentor in BBA (Hons) at GAPA is to provide unparalleled guidance and support to students pursuing professional accountancy and financial management. The mentorship program at GAPA aims to:

Mentor Students for Success: The mentor's vision extends beyond specific examinations to cultivate a well-rounded educational experience. By providing guidance and support, the mentor aims to help students excel academically while nurturing the skills and qualities essential for success in diverse professional fields. The focus is on empowering students to navigate challenges, develop critical thinking, and embrace a lifelong learning mindset. Through personalized mentorship, students are encouraged to explore their passions, set ambitious goals, and build a strong foundation for a successful and fulfilling career.

Hands-On Professional Training: The mentor's vision includes offering hands-on professional training under the guidance of industry experts. This approach prepares students not only for academic success but also for practical challenges in the fields of accountancy

Strategies for Success: The mentor is dedicated to equipping students with the skills and knowledge essential for excelling in the dynamic field of finance. Emphasizing a holistic approach, the mentor prepares students for diverse challenges in the financial sector, fostering a deep understanding of financial principles, strategic thinking, and effective decision-making. Beyond the confines of specific professional qualifications, the mentor's guidance extends to cultivating a versatile skill set that empowers students to thrive in various roles within the finance industry. The aim is to prepare individuals for a rewarding and prosperous career, emphasizing continuous learning, adaptability, and a strategic mindset.

INFRASTRUCTURE & FACILITIES

Classrooms

Our institute offers state-of-the-art infrastructure and hi-tech facilities. Our classrooms on all campuses are air-conditioned and equipped with laptops and LED projectors.

Wi-Fi Campus

Our campuses are equipped with a Virtual Private Network and high-speed broadband, as technology is the mainframe of education today.

Student Lounge

Special rooms located within college, designed to give students a space for relaxation and study.

Seminar Hall

Equipped with quality sound and picture devices, we conduct screening sessions for our students.

Library

Our libraries across all our campuses offer complete access to extensive electronic information resources and are also well-stocked with books, periodicals and journals.

Accommodation

We have tied-up with housing providers offering beneficial amenities, located close to our campuses across all centres. This enables our students to minimize their commute time, and explore the city during their leisure time.

STUDENT TESTIMONIAL

HETASVI VORA

Joining GAPA was quite a decision for me as I had pursued science since grade 9 in IGCSE board. After much of indecisive thinking, I took admission in GAPA and it was the best decision ever taken by me. GAPA is a platform of proficiency, where you will not only have the bookish knowledge of the course but faculty of GAPA will try their best to make you experience the practical scenario of the real world.

GAPA is a very well designed program where the students pursuing CA will have many benefits as the course of GAPA is aligned with the portion of CA, which will help the student a lot. The faculty at GAPA are very optimistic, benevolent and always understand the situation of student basis which they modify their teaching methodology thus, helping the student to absorb maximum amount of knowledge.

As in for my experience, I am pursuing ACCA and the course of GAPA and ACCA goes lateral with all the subjects with the necessary variations in each subject. For me entering into a completely different stream was very strenuous but all thanks to faculty at GAPA who helped me tremendously with my education and always supporting me mentally and emotionally through my journey.

KUSHAL MEHTA

Joining GAPA institute has been one of the best decisions I have ever made. The small class sizes and dedicated professors have allowed me to receive a personalized education and have truly helped me to thrive academically. The diverse range of extracurricular activities and opportunities for involvement on campus have led me to explore new interests and develop valuable skills. I highly recommend GAPA institute to anyone looking for a well-rounded and fulfilling college experience.

PALAK TIWARI

I had an excellent learning experience with inspiring professors and experts and the amazing infrastructure helped to make my learning journey comfortable. Helpful faculty members and great teaching methods made learning easier. Various activities kept the environment around the college lively.

PRIYANSHU AGARWAL

GAPA has given us an excellent opportunity by introducing the program, BBA (honours) in Professional Accountancy & Financial Management. Initially, I presumed that it is like a regular BBA (honours) but I was wrong; it serves a lot more than a regular BBA (honours). Most

of us believe that a routine graduation and a course like BBA (honours) give us same knowledge but we are wrong. When we pursue a specialised professional course like BBA (honours) in Professional Accountancy & Financial Management by GAPA, it gives a lot more.

For students who feel that they cannot do CA but need some basic, professional and practical knowledge like CA, this course is a blessing. I joined this programme with the same intention but in just six months, after attending the lectures at GAPA, I have developed the confidence to pursue CA.

I wandered through many colleges but could not find a course like this. The best part about GAPA is that they provide CA coaching within the syllabus of BBA (honours) at the same campus, thus saving one's time & energy. It does not stop here; they also provide best opportunity for a student who is planning a career in fields like financial management, securities market, risk management and so on.

SRUSHTI SHETTY

Being too into sports, I never thought I would have a professional career in the world of finance. It has become possible due to the guidance provided by none other than GAPA. What most of the CA aspirants dream of, we are here living it. The credit for a successful vehicle belongs to the leader; a great example would be GAPA. I would have missed a great opportunity if I had not been admitted here. Adding two letters (i.e., CA) in front of the name will be possible due to the magnificent four letters GAPA.

INDUSTRY

With India's global reputation as a trusted hub for business and finance, there has been a strong demand for its accounting services and expertise. The sector is now witnessing significant development potential owing to the rising need for professional services.

WHO CAN ENROLL?

The Program will help students make the transition to a finance management role, and support those starting new entrepreneurial ventures. The learning journey is specifically designed for participants:

Looking forward to make an impact in the lucrative world of finance

Seeking to network with industry professionals

Dedicated to turn their passion into profession

Gearing up to pursue a career in finance and are preparing for high-paced tests like CA/CPA/ACCA
