**start up  
business**  
and  
**entrepreneurial  
graduates\***

## Putting it into practice

improving the understanding and awareness of IP among the staff and student community.

Activities to inspire and engage students in enterprise as part of their studies.

Entrepreneurship as a career choice is not for everyone, but everyone should learn to think like an entrepreneur. Future Varsity is rooted in entrepreneurship and empowers students who want to turn their business ideas into reality. Each year new social initiatives, projects, and businesses are launched by our students. Students are not only encouraged to start new initiatives but they are also provided with the resources they need to be successful.

### Start-Up Lab

Many of our students come to Future Varsity with business ideas that they are eager to launch. It serves as an incubator for students' business initiatives & guides them through the process of creating and starting a business.

### Training To Launch Your Venture

External experts in marketing, finance, strategy, and legal aspects will work with the students on the next steps, according to their business plan needs. The learner will also have privileged articles and tutoring from retired CEOs and successful entrepreneurs who will share wealth of knowledge with the students.

# Marketing Management Program

# Experience the dynamism of marketing

At Future Varsity, we help learners to make the most of their full-time studies. Immerse themselves in the dynamic world of marketing and share their experiences with a multicultural cohort of students through group work, and real-life case studies, problem-solving, application exercises, group projects, simulations and e-learning. Showcasing learners marketing prowess in the following activities:

We offer our learners a dynamic and holistic learning experience that goes beyond the classroom. All learners undergo internships with some of the world's most renowned companies to gain an understanding of their brand heritage, market strategies, target market's and audience. Representing a wide range of industries and sectors such as luxury retail, automobile, textiles and consulting the participating companies provide our learners with privileged access to their marketing operations, product development, and launches.

Learners will be able to apply the knowledge and skillsets they have picked up and built on during the Program through an internship. Learners are also required to complete a report based on students internship.

# Education Management Program

## Overcome Educational Challenges

Today, leaders in education must navigate a terrain that includes government body requirements, agreements, public relations, budgets, changing academic standards, and an urgent focus on helping all children succeed. Effective leaders and managers must find new ways to address the challenges and embrace opportunities in the K-12 educational environment.

## A Focus on Leadership and Management In Education

This program builds the skills and knowledge that professionals need to address large-scale challenges and bring bold and positive change in technology, human resources, school turnaround efforts, innovation zones, teacher quality reforms, and accountability initiatives.

## Innovative curriculum Addressing Bold change

The curriculum is designed to help professional support and lead improvement efforts. Instruction focuses on finding smarter, more powerful ways to leverage tools, talent, time, and money, within the constraints presented by norms, rules, regulations, contracts, and statutes.

## Elite Team of Nationally Recognized Faculty

The program is taught by an elite team of nationally recognized faculty who offer essential, practical guidance to help educational organisation staff think dynamically about how to improve processes & systems.

# Business Administration Program

## Experience business

We connect theory with practice. Students will learn directly from business leaders and work on real-life projects. Future Varsity provides students with hands-on, internship-like experiences on campus, working as consultants and carrying out research for leading companies and institutions. Internships and other hands-on projects round off their practical experience and give direct connections to the business community.

## Corporate Connections

The program's outstanding faculty of recognized experts and leading practitioners maintain close ties to the business world. They host corporate leaders and investors regularly on campus to evaluate students' business plans, which provide with connections and career opportunities unmatched by other business programs.

## Entrepreneurship

Future Varsity is strongly committed to fostering an entrepreneurial mindset among Our students. During the program, students learn first-hand how to create a business and turn their business ideas into reality. Our if Start-Up Lab serves as a platform for those who want to pursue their business plans further and successfully launch their own business.

## Innovative learning

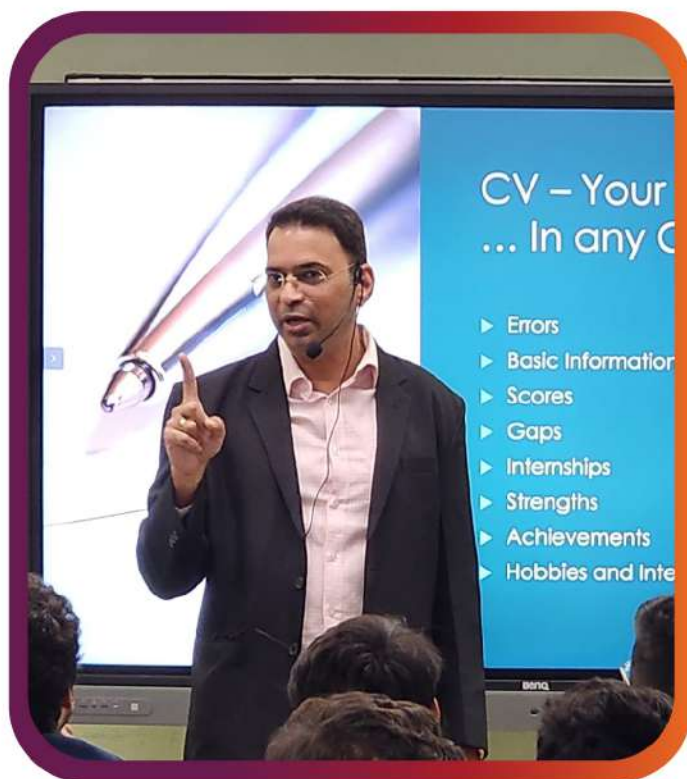

We employ a host of innovative learning tools and methods that redefine how business is studied. As in corporate life, rework will be essential. Learners will work on case studies and projects with others and achieve results as a team.

**Come join us  
as we begin  
the future hustle!**

# Student Clubs and Societies

Student societies are an integral part of the Future Varsity experience. Students meet with the various societies and choose those they are going to sign up. Being part of a society is an amazing opportunity to make a lifelong group of friends and boost learner's CV.

The Alumni Cell provides a means of interconnection that will enable the whole community not only to re-establish contact with fellow students but also to create new links with people from the management sector throughout the whole network who can offer new experiences and initiatives to keep growing in the profession.

# Professional Training Certificate

# Infrastructure and Facilities

## CLASSROOMS

The institutes offer state-of-the-art infrastructure and hi-tech facilities. Classrooms on all campuses are air-conditioned and integrated with laptops and LED projectors.

## WI-FI CAMPUS

The campuses are equipped with a Virtual Private Network and high-speed broadband, as technology is the mainframe of business today.

## SEMINAR HALL

Equipped with quality sound and picture devices, we conduct screening sessions, masterclass, workshops.

## LIBRARY

Our libraries across our campuses offer complete access to extensive electronic information resources and are also well-stocked with books, periodicals and journals.

## ACCOMMODATION

We are tied-up with housing service providers offering good amenities, located in close proximity to the campuses across all centres. This enables our students to minimize their commute time, and explore the cities during their leisure.

# Student Testimonials

## Ayushi Patel

Choosing to pursue program of B.B.A.(Honours) in Entrepreneurship at Future Varsity was one of the best decision that I have made. It has helped me set a clear vision & aspiration of what I want to achieve in my time. The program does not focus on one aspect but strives for the holistic development of each students.

The college is equipped with exceptional faculty who create new interests & understanding with their experience & passion in their field. The exposure & experience that I gained from conducting events & managing people helped me to be more effective & productive at the same time.

## Muskaan Sharafat

This program is specifically designed to prepare students with the skills and knowledge to be future entrepreneurs. I learned about the underlying principles of starting a business, avoiding pitfalls, pitching my ideas effectively and setting myself up for success even in a field where failure was common. Our teachers have been highly supportive; they encouraged creativity, innovation, and collaboration to mould us into individuals strong enough to face the reality of the outside world.

My journey at Future Varsity definitely changed after the introduction of the Entrepreneurship program. I believe that I have changed into a person who is confident, creative, and highly committed, and I am truly thankful to Nagindas Khandwala College for giving me this opportunity and experience.

## Rhythm Jain

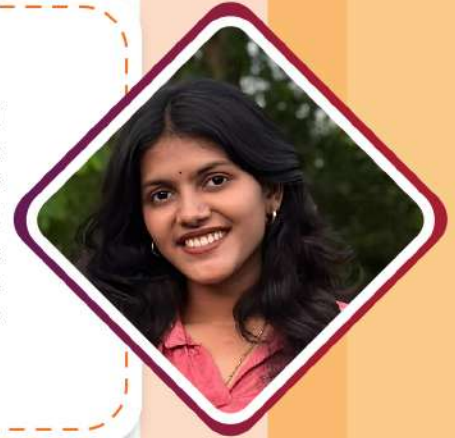

Ever since I joined B.B.A.(Honours) in Entrepreneurship program at Future Varsity my goal of being an entrepreneur has been very clear. When I had just started the program, I was an extremely reticent person and did not really know what to expect out of the course. As we began learning about the different aspects of a business through the first and second year of the course, Entrepreneurship as a subject really piqued my interest.

Learning further about Enterprise was something I was inclined towards; seeing my peers start off their own ventures along with running departments within their family businesses as entrepreneurs helped me gain more confidence and a desire to do the same.

## Dakshal Patil

Pursuing my B.B.A. (Honours) in Entrepreneurship at Future Varsity has had a profound and transformative impact on both, my educational and personal development. This degree program has equipped me with a comprehensive understanding of diverse business domains, including marketing, finance, operations, human resources, and entrepreneurship. The combination of rigorous coursework, workshops, masterclass and practical projects has provided me with invaluable knowledge and skills that I can readily apply in real-world scenarios. It not only encouraged us to think outside the box but also gave us the freedom to express our solutions with unrestricted creativity.

## Neel Shah

Having Pursuing my B.B.A. (Honours) specialization in Marketing, from Future Varsity I consider it a significant milestone in my career. Throughout the program, I had the privilege of studying course that have greatly shaped my understanding of innovation, sustainability and their integration with digital aspects, which have become imperative for the success of modern organizations.

This hands-on experience allowed me to dig deep into the nitty-gritty of marketing issues, meticulously analyzing them to find effective solutions. As a result, developed a profound appreciation for the multifaceted nature of the marketing field. I recognized that successful marketing goes beyond mere promotion; it involves understanding consumer behavior, identifying market trends leveraging digital tools, and aligning strategies with broader organizational goals. My enhanced understanding of marketing principles and strategies has empowered me to excel in various areas.

## Lisa Shah

The Program at Future Varsity has provided me with the support and guidance I needed through their academic faculty, who not only kept me grounded and in touch with my progress but also embraced my creativity, which I am truly grateful for.

B.B.A.(Honours) in Marketing Management has played a pivotal role in my career development. The comprehensive curriculum, practical experiences, industry connections, and development of essential skills have armed me with the tools needed to gain credibility in the marketing field.

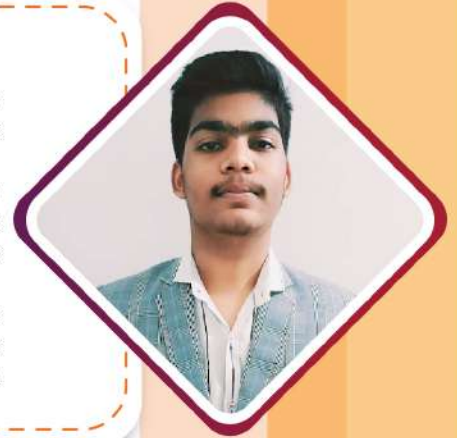

## Harsh Jain

As I walked my way up this ladder, Year 3 finally had me working in parallel to my abilities. I accrue this to the strong foundation in core Marketing principles set by the curriculum at Future Varsity.

A combination of Workshops, Masterclass and hands-on experiences (internship) allowed me to apply theoretical knowledge to practical situations, honing and exaggerating my problem-solving abilities and strategic thinking skills while building confidence to take on challenges that I would have previously shied away from.

The institution places great importance on extracurricular activities, leadership development, and community service. These experiences have allowed me to enhance my interpersonal skills, foster teamwork, and develop a strong sense of social responsibility.

## Akhil Rao

The program at Future Varsity helped me refine my research and analytical skills, enabling me to critically analyze the industry and propose innovative solutions. The coursework, coupled with real-world case studies, workshops, masterclass and practical projects, has allowed me to develop a holistic perspective on various business disciplines, including marketing, finance, operations, and Human Resources.

My experience at Future Varsity was amazing as it contributed a lot to my journey in terms of its holistic approach to learning, focusing on both academic and personal development. This College has provided me with a broader perspective to life and nurtured my overall growth.

## Urvi Bagul

The supportive faculty at Future Varsity played a crucial role in my academic journey. They encouraged creativity, fostered a growth mindset, and were always available for guidance and mentorship. Their dedication to excellence inspired me to push my boundaries and strive for greatness.

In the ever-evolving digital landscape B.B.A.(Honours) in Marketing exposed me to cutting-edge tools and trends in the marketing industry. I discovered how social media, content marketing, and data analytics could be harnessed to connect with the target audience effectively.

These insights have been invaluable in shaping my approach to reaching customers and building brand loyalty. This dynamic learning environment allowed me to apply what learned in the classroom directly to real business scenarios, honing my problem-solving and critical thinking skills.

# Faculty Testimonials

## Amrita Mathews

"I feel utterly blessed and grateful to have found an institute like Future Varsity that has become a foundation for what I am today. I started teaching B.B.A. programs here and my experience has been truly enlightening. I believe the comprehensive and strategic learning plan helps students to grow to their full potential and choose a career they actually like. It is an institute that caters to both academic and professional development of our young learners. My career has taken a step forward in the right direction and Future Varsity has helped me pave the way to success and fulfillment."

## Dr. Neha Ashawa

"One thing that I really liked about Future Varsity is the unique curriculum of the Business Administration program. Future Varsity works towards preparing students not just for their first job, but for a successful and fulfilling career in the ever-evolving business landscape. The emphasis on experiential learning and real-world case studies ensures that students not only enjoy theory based learning but also develop good practical knowledge. I feel deeply fortunate to see my students excel in more than just academics."

## Gunjan Dhanjal Sidhu

"At Future Varsity I have had the privilege to enjoy a very good pedagogic experience. Being a professor in marketing, I believe that learning through practical means is the best way to learn. I have conducted different workshops and fun activities that promote logical thinking and studying through real - case scenarios in various departments. This gives me and the students a sense of satisfaction and fulfillment. I love teaching in an environment where I am not restricted to teaching by the books. It is a delight to educate students who are passionate about learning and exploring."

## Milli Sharma

"Modern day problems require modern day solutions. And I believe what makes Future Varsity stand out from other educational institutions is the quality of the new age programs delivered here. Startups and New Ventures are crucial for the present generation and I enjoy educating my students in this field. Our faculty has the ability to build a synchronized momentum with developing times. Being open and welcome to change is both difficult and essential and that is effectuated splendidly hither. I feel proud to work in such a well-established institute."

## Sanjay Tanna

"Future Varsity has a culture that embraces flexibility and diversity of thought. They have achieved an organized system of approach that is both transparent and engaging. The variety of programs offered here are an opportunity for students to fulfil their dreams and aspirations without compromising on their career choices. It has been a remarkable experience to have a productive as well as fun working environment. I look forward to keep working here and to keep doing what I love the most."

## Chetna Tanna

"For me, working at Future Varsity has been more than just a job. I teach the entrepreneurship program, and when I see my students, I feel overwhelmed with joy as they participate in learning not only through academics but also through various extracurricular activities. It is enacted charmingly well at Future Varsity by various clubs that include cultural, sports and academic activities. It is a place of evergreen fun and learning and I am extremely happy to be able to work here."

# Industrial Testimonials

## Ms. Purnima Vibhandik

(Ex Deputy Vice President - Human Resources HDFC LTD)

"Conducting a masterclass at Future Varsity was a delightful experience. The students demonstrated a keen interest in discovering their forte and making wise career choices. We explored the latest fields of professions, skills required and their applications in various industries. The proactive involvement of both the faculty and the students significantly enhanced the overall learning experience. Future Varsity is committed to providing the best education to students which aligns with the demands of the rapidly evolving professional industry. I am confident that this interactive masterclass will help many students make the right choice for their career."

## Mr. Hiral Rajat

(Associate Vice President - Asian Paints Ltd.)

"It was truly an honor to share my expertise on 'Creating business value through artificial intelligence' with the bright and inquisitive students of B.B.A. at Future Varsity. Their enthusiasm and engagement, during the masterclass, were very impressive. The Interactive session allowed us to delve deeper into the cutting - edge technologies shaping artificial intelligence in the business industry. I was thoroughly enraptured by the students' eagerness to learn as well as their insightful questions. Future Varsity is fostering a dynamic learning environment that prepares youth for the challenges ahead. I look forward to seeing these adventurous scouts contribute in the field of Business."

## Mubasshir Dalal

(Deputy General Manager- Shapoorji Pallonji)

"Successfully executing a masterclass at Future Varsity was a gratifying experience that exceeded my expectations. The level of engagement and passion exhibited by the students in understanding consumer behaviour and sales & marketing concepts was very impressive. The college gives it's best to providing a comprehensive education. Their state-of-the-art facilities and innovative curriculum are exemplary. The students showcased a keen insight into the intricacies of consumer psychology and strategic marketing. Future Varsity is undeniably shaping future leaders who will excel in the dynamic world of sales and marketing."

## Kshitij Waldiya

(Senior Manager - Star Health)

"I was honored to be invited as the chief guest of the orientation at Future Varsity. The zeal and energy I witnessed among the students were truly remarkable. The college's commitment to promoting innovation and technological advancements is evident in the diverse range of programs offered. The interactive session during the orientation, showcased the students' eagerness to embrace the challenges of the digital age. I believe Future Varsity is sure to become a hub for nurturing the next generation of leaders in innovation and technology."

## Mr. Akshay Telang

(Associate Director- Digital Content- Zee Entertainment)

"Being part of the orientation program at Future Varsity was truly invigorating. Witnessing the vibrant spirit and intellectual curiosity among the students, left an amazing impression on me. The college's dedication to cultivating students and grooming them to be industry ready is commendable. The dynamic and thought-provoking discussions, during the orientation reflected students' willingness to navigate the complexities of handling real world scenarios. Future Varsity holds immense promise as a trailblazer in shaping the future leaders."
